## FAQ'S on Company Registration in South Africa

### What is the Benefit of Registering a Business as a Company?

It enhances your identity and adds credibility to your operation: Registering a business makes it easy for potential customers to identify you as a legitimate operation. It attracts business and funding opportunities. To qualify for a business loan, you must have an official business registration.

### How many Directors must a Pty Ltd Company have?

A Private Company (Pty) must appoint at least one director upon company registration. A Public Company and a Non-Profit Company must appoint at least three directors.

### Do all Businesses need to be Registered with CIPC?

CIPC registers Companies and Co-operatives. It is not necessary for all businesses to formalise by registering with the CIPC. For some businesses, such as informal businesses and sole proprietors, there may not be sufficient benefits.
