About Us

Company History:

Ngomusolethu (Pty) Ltd is a team of devoted experts of solar systems, that operates in a variety of services within green energy such as designing, installation, commission and maintenance of solar systems. Our target market is limited to none, we render our services to the following market scale; residential, commercial, agricultural and industrial. We offer services on credit only when dealing or operating through major institutions, thereby minimising our risk exposure.

We are focused on owning a brand that we can develop ourselves. We outsource the skills of the private third-party entrepreneurs/professionals to take our services to market, but we always remain loyal to our own abilities.

Background:

Ngomusolethu (Pty) Ltd is a black-owned company. The company is based in Middelburg (MP), it was established under the entrepreneurial spirit of its directors, Mr S.J Skosana and Miss N.L.H Zulu in 2020.

Ngomusolethu (Pty) Ltd is an innovative company specializing in the field of green energy (solar systems). We have a dynamic management team ensuring the best quality service delivery to all its clients. It also serves as a vehicle to empower and develop more individuals in its area of operations. Our enterprise employs relevantly qualified and suitable candidates who have the necessary skills in all our service offering and product suite field stated above.

As a South African company, we work with local professional companies in joint venture projects through our strategic relationships with them.

We are amongst the few black-owned solar system companies that are truly virtual, making our presence and blueprint to be national, with global capabilities.

At Ngomusolethu (Pty) Ltd we pride ourselves on recruiting and retaining the top talent and

Our Vision:

Is to be a preferred green energy company that renders the provision of excellent service and ensuring customer satisfaction in the services provided.

Our Mission:

To provide superior service, this ensures customer satisfaction and subsequent achievement of success. We place value in the training and placement of individuals in which we find potential.

Services

Key to Success:

1. Excellence in fulfilling, promises, reliability and trustworthiness within agreed principles.
2. Utilization of high-level expertise in the execution of tasks.
3. Service back-up.
4. Employment of ad-hoc professionals to achieve goals.
5. On-going product and service training.

Our Strategy:

1. To create and develop a brand that will be able to compete with major players in the selected industries.
2. To create and develop business models that will ensure growth, sustainability and maximum capitalization on the opportunities provided by the public and private sector.
3. To contribute to the socio-economic objectives of the country by creating an expansion through optimization, therefore increasing the demand for skilled and un-skilled labor.
4. To continue to forge strategic partnership with relevant

Scope of Operation:

Ngomusolethu (Pty) Ltd subscribes to the principles of employment equity and B-BBEE and our customers benefit from the fact that their procurement scorecard is enhanced, as Ngomusolethu (Pty) Ltd is a 100% black-owned entity. It also enhances a policy of supporting young entrepreneurs and job creation
