

Our Service List

At Company Partners, we can walk you through your entire business journey.

We're here to support you when you first register your business, but also when you want to scale and manage your growing business in South Africa. That's why we have over 40 Specialists and more than 120 different services.

Here's how it works

1

REGISTER

We'll start with a FREE Business Consultation to understand what you need to get started. Usually, that means you need registrations at CIPC, SARS, databases for Tenders or Funding, etc.

Our service is Simple and Fast, because we work with the CIPC, SARS, COID, Customs, CIDB, etc. daily.

2

EMPOWER

Next, we'll guide you through the compliance documents for your specific industry and Tender applications, or any other helpful services like branding or website design.

You will have a dedicated Specialist who will walk you through compliance Step-by-Step.

3

GROW

As your Company grows, we offer various optional Accounting Services, Tender Assistance and Document Renewals. We can also support you in services like Business Plan Development.

Our sophisticated online system sends you Renewal Reminders straight to your email inbox / phone.
